

How Green is Your Building

City of Melbourne events

Please take a moment to sign up to [The Green Leaflet](#), the City of Melbourne's monthly e-newsletter covering our environmental news and events.

City of Melbourne programs

Sustainable Living in the City

Sustainable Living in the City was a pilot project that aimed to raise environmental awareness and reduce the everyday environmental impact of high-rise residential living.

Click on this [link](#) to take you to our building fact sheets.

Energy Saver

Improve the energy efficiency of communal areas in your residential apartment building with help from the state government.

Click on this [link](#) for program information and installer details. Alternatively, contact Gabrielle Stannus, Community Sustainability Officer on 9658 8721 or gabrielle.stannus@melbourne.vic.gov.au.

Waste & Recycling

Every rateable household in the City of Melbourne is entitled to have its garbage, hard waste, organic waste and recyclables collected.

Click on this [link](#) for more information on recycling in high-rise apartment buildings.

Alternatively, you may contact Melanie Oke, Waste Management Coordinator, on 9658 9951 or melanie.oke@melbourne.vic.gov.au.

Higher Density Residential Buildings

How Green is Your Building

The City of Melbourne has submitted an application to the Sustainability Fund for funding for this project (waiting to hear of outcome). The project will aim to overcome legal, administrative and institutional barriers which currently hinder energy efficiency upgrades to higher density residential buildings. It will identify replicable solutions, including processes, legal, funding and innovative technological solutions. The project will develop a toolkit to be utilised by owners corporations throughout Victoria.

For more information or to register your interest, please contact Adam Zaborszczyk on 9658 8041 or adam.zaborszczyk@melbourne.vic.gov.au.

CitySwitch

The CitySwitch Green Office program is a great way for businesses to improve office energy efficiency and reduce greenhouse gas emissions. Workshops, training, support, recognition and networking opportunities are provided by the program.

Click on this [link](#) or program information or contact Brett Munckton, CitySwitch Project Officer, on 9658 8557 or brett.munckton@melbourne.vic.gov.au.

1200 Buildings

Are you also a commercial building owner or manager? Retrofit your building, save energy and money and help cut 383kt of emissions within the municipality by 2020.

Click on this [link](#) for program information or contact Michele Leembruggen, Green Buildings Coordinator, on 9658 8421 or michele.leembruggen@melbourne.vic.gov.au.

Residential Mandatory Disclosure

For more information on how the energy efficiency rating has affected house prices in the ACT, please click on this [link](#).

City of Yarra

Contact

For more information on community sustainability programs in the City of Yarra, please contact Rachel Oliphant, Community Sustainability Officer, on 9205 5769 or rachel.oliphant@yarracity.vic.gov.au.

Yarra Environment E-news

To receive the quarterly Yarra Environment E-news, please click on this [link](#).

Yarra Sustainability Awards 2010

Entries are now open for the Yarra Sustainability Awards 2010. The Sustainable Rental Property category rewards landlords who have shown initiative and leadership in reducing the environmental impact of their property as well as improving comfort and minimising utility bills for tenants.

How Green is Your Building

Entries close at 5.00pm on 31 March 2010. For further information, eligibility criteria and to download an application form, please click on this [link](#). Or contact Rachel Oliphant, Community Sustainability Officer, on 9205 5769 or e-mail rachel.oliphant@yarracity.vic.gov.au.
